

Holiday meals

+

This holiday season you and your business can join forces with Mid-Ohio Food Collective to ensure that no one goes hungry.

Holiday Meals is a community campaign that gives the Central Ohio Community the chance to help raise critically needed funds to offset the cost of acquiring and distributing holiday foods.

GET INVOLVED

Round Up at the Register – A popular way to support the Mid-Ohio Food Collective is to have patrons round up their total at the register and donate the proceeds to our Holiday Meals Campaign.

Text-2-Give – Our Text-2-Give program is another easy way for patrons to help support Mid-Ohio Food Collective during the Holiday Season. Our team will work with you to create a custom word for customers to text that will link them to a donation page with your logo on it!

QR Codes– Create a custom QR code with us that links to a custom donation page with your logo and verbiage. Patrons and customers can scan the QR code to help provide meals to the community this Holiday Season.
