1980 Society

Donors who support Mid-Ohio Food Collective with annual giving of

\$1,980 or more are recognized through our 1980 Society, named in honor of the year of our founding. Such generous and unwavering support makes it possible to provide fresh, healthy food to our customers: families, seniors and veterans who need help in our community. 1980 Society members receive special correspondence in our NewsFeed quarterly newsletter and invitations to events including tours, volunteer opportunities and other ways to connect with our mission of ending hunger.
