CHILD HUNGER PROGRAMS

Mid-Ohio Food Collective understands the immense impact that hunger has on the health, development, and well-being of youth and children in our community. In support of the mission to end hunger, we offer the following partnership types for programs working with children and youth.

Programs We Support

Afterschool and Summer Programs

Based on your program needs, options range from shelf-stable snacks to food used to cook meals for children.

Weekend Hunger Prevention

Shelf-stable items for your program that help cover weekends and long holiday breaks.

School Pantries

Shelf stable items kept onsite at your school for students to take home as needed.

Kids Fresh Connect

Connecting fresh produce to children and their families at a scope that works best for your program. MOFC provides all fresh produce at no-cost.

Kids Café

Serves as both vendor or sponsor for USDA programs providing prepared meals and snacks for programs such as CACFP, Afterschool at Risk, Summer Feeding and National School Lunch and Breakfast.
