Signature of Agency Representative & Date	Signature of MOF Driver & Date
---	--------------------------------

*This form must be filled out by the agency before produce is refused/returned to MOFC. The agency needs to let the driver know they wish to refuse/return produce. The agency should contact **Orders & Customer Service at 614-317-9426** to inform MOFC of the issue. The form can be found under **Agency Zone on the MOFC site**. Once the form is completed it will need to be **emailed to agencyorders@midohiofoodbank.org along with pictures of the produce that is being refused/rejected**. Someone from Orders & Customer Service will let the agency know whether the driver will bring back the produce or if the agency is to dispose of it themselves.
